Did you know that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food/product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of your gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 1714.25 of the Civil Code and Sections 114432 to 114434, inclusive, of the Health and Safety Code. For more information, please visit [ocfoodinfo.com](http://ocfoodinfo.com) or [wastenotoc.org](http://wastenotoc.org).

REINSPECTION FEES:

Fees are assessed for second or greater reinspections and Notices of Violations. The purpose of these fees is to shift costs away from compliant operators and impose fees on those facilities that fail to readily comply with the applicable laws and regulations. The amount of the fee is to cover all of the cost associated with the service. For the most current fees, please refer to <http://ochealthinfo.com/eh/home/fees> or call (714) 433-6000.
