Items noted below were observed during the course of this inspection. Any violations observed must be corrected. Failure to correct the listed violation(s) prior to the designated compliance date may necessitate a reinspection at an additional fee.

OPENING COMMENTS

The purpose of this visit was to conduct a reinspection at the request of O. Ramirez (Store Manager) due to a permit suspension on this date for operating without hot water in the facility.

At the time of the inspection, the hot water temperature was restored to 120F or greater throughout the facility. Maintain a continuous supply of hot potable water at 120F or greater available throughout the facility at all times.

The conditions causing the permit suspension were observed to be corrected. Your permit to operate is hereby reinstated.

Did you know that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food/product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of your gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 1714.25 of the Civil Code and Sections 114432 to 114434, inclusive, of the Health and Safety Code. For more information, please visit ocfoodinfo.com or wastenotoc.org.
