Items noted below were observed during the course of this inspection. Any violations observed must be corrected. Failure to correct the listed violation(s) prior to the designated compliance date may necessitate a reinspection at an additional fee.

OPENING COMMENTS

The purpose of this visit is a follow-up reinspection at the request of A.Kapoor. On this date a thorough inspection for vermin activity was conducted. No further evidence was observed. A pass seal has been posted.

- Measured the dish machine sanitation concentration to be 50ppm.
- The reach in refrigeration unit door was operable
- On this date upon arrival the closed seal was removed from the front window

A reinspection has been scheduled for 12/3/19 for a follow-up inspection for continued abatement of cockroach activity. Continue correcting notedviolations on routine inspection report prior to the three week recheck.

Did you know that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food/product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of your gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 1714.25 of the Civil Code and Sections 114432 to 114434, inclusive, of the Health and Safety Code. For more information, please visit ocfoodinfo.com or wastenotoc.org.
